*Tax means Sales or Use tax, Value Added Tax (VAT), Goods and Services Tax (GST), or any other similar tax that may arise in any jurisdiction as a result of or in connection with consumption under the local 'Tax' rules. VAT reverse charge mechanism may be applicable to business customers with a valid Tax ID, especially in the European Union (EU) under the EU Directive, in the United Kingdom, in Russia, but also in other jurisdictions depending on the local tax rules.

VAT reverse charge may be applicable to companies with a valid VAT ID number in the European Union (EU) under the EU VAT directive. 'Out of Scope - EU Voucher Directive' rules are applicable to Asset Store Credit/Asset Store Credit Code purchases by customers in European Union (EU).

Payments not received by the due date may be subject to collection charges up to 20%.
